

## BRAMPTON CYCLING CLUB

### Executive Meeting

November 28, 2008

**ATTENDEES:** Bob Beale, George Sheppardley  
Andy Mallinson, Pierre Dussault,

**GUESTS:** No guests

**LOCATION:** Irish Pub in Streetsville

#### RACING PROGRAM

- Bob brought the others up to date on what has happened since the last meeting.
- Joel Cash had withdrawn his support of the Racing program a few days after the meeting
- Chris e-mailed Bob a spread sheet of proposed cash generated and remuneration package to run the racing program.
- Bob mentioned at the banquet that a proposal had been forwarded to the executive and that remuneration was part of the package.  
Chris & Sean withdrew their proposal the day after the banquet.
- After discussion regarding running 5 events a year, half the events or just hold one OCA sanctioned race. It was decided to post a thread on the message board as follows:

” The proposal presented at the racing meeting held at Fletchers Creek has been withdrawn. So at the present time there is no race program for 2009. However any proposal presented to the executive before the end of January 2009 will be considered. Proposal’s do not have to include such an extensive program as seen in recent years, nor does it have to be limited to a two person supervisory body”

Discussion took place on sponsorship of Jersey’s by the Barbers Chair and Toronto Digital Imaging. New clothing must show both logo’s and any changes to our current design must be approved by both companies.

We should get feedback from members re the clothing required for 2009. New designs are encouraged to be posted on the web site for members to vote on, with a mid February deadline.

A message has been posted by Chris Lightbound on the message board regarding skills training to avoid accidents. Chris and Amy Moore are willing to set up a skills program in the new season. Bob mentioned the possibility of bringing a Trainer from Ottawa to carry out a skills day or week end to show what the Ottawa club does for their members.
