1	TOURING REPORT	<p style="text-align: center;">TOURING UPDATES</p> <p>Our cycling groups need to be following the posted paces. Members should be supported to level up when they are capable.</p> <p>We are always in need of more leaders. We discussed leaders posting rides and routes earlier than Friday nights to promote members signing up. We also discussed the past way of leaders being assigned their days to lead. More discussion is needed.</p> <p>We need to look at more start location options. Churchill Meadows area is getting busier and the road will be changing to 4 lanes. Keeping in mind safety for our riders and indoor washroom for our lady members. The velodrome in Milton has been suggested as a possible start. The search for community centers shall continue.</p>	Mats/Eddie	
2	MEMBERSHIP	<p style="text-align: center;">UPDATES</p> <p>We agreed on raising the membership fee from \$40 to \$42 to help leave a more comfortable financial buffer.</p> <p>We would like to attract new members of all cycling levels and not just be seen as a touring club. We are hoping to keep our</p>

Ordering window not open until April.</p> <p>We agreed to help offset expenses we will seek out sponsorships. Sponsor logos would be added to the back jersey pocket. Sponsorship guidelines need to be written before approaching anyone. Lynette and Mats will visit some bike stores to explore and research sponsor opportunities and build awareness of the club.</p> <p>May have a connection to explore with Skratch.</p>	<p>Perci</p> <p>Lynette and Mats</p>	April
