	Call to Meeting and review of Agenda	Updates from Lynette With weather being cooler and rainy it has caused a delay to the start of the riding season. The CYQL app has extended their free trial into the month of April. Lynette will send out an email inviting both riders and leaders to test it out and give feedback only if interested. We will continue to use the Cycle Club App from the last few years for all members.	Lynette	
1	<b>TOURING REPORT</b>	<b>TOURING UPDATES</b> The Velodrome in Milton is going to be trialed as a new route starting point. There will be a ride scheduled in both June and July instead of Churchill Meadows. Time is needed to plan new routes.  Our club is still in need of more ride leaders of all levels. If you are interested in leading rides this season please contact Mats Moy.  The first new riders clinic will be held April 19, 2026. Volunteers are welcomed and needed. As well as riders that would like a review to group riding etiquette. Mats Moy is the contact person for this event.  <b>APP AND LOGISTICS UPDATE</b> Special event rides need to be scheduled on the app by Eddie for both the Eden Mills luncheon event and Terra Cotta Picnic day. Rides will have different routes, mileage and starting times/place to try and get members to arrive around the same time for	Mats  Mats  Eddie

5	<b>WEBSITE AND COMMUNICATIONS UPDATE</b>	<p style="text-align: center;">WEBSITE UPDATE</p> <p>The results came in from the recent survey with Quebec having the most people interested in having rides there. Research is needed now for actual destination, hotel options, Air B and B options and routes. If there are people interested in forming a small planning committee it would be helpful. Especially those who have ridden there before.</p> <p>The Basecamp app could also prove helpful for giving tips, suggestions and routes options for those who have experience.</p>
