	Review Agenda	<p>Updates from Lynette.</p> <p>Lynette has requested that she be asked first before any posts are made in the announcement section on our Cycle App. That way she can add to the messages if needed. The writer should always identify who they are.</p> <p>Final discussion was held about the Cyql app which was being tested by some of our members. Thank you to those members that took the time to look at it and try it out. Thank you to those members that gave feedback and opinions. We have decided not to make a switch now due to the upcoming news in the website section. We will renew the Cycle Club app for another year, although Lynette or Eddie will contact them to see if we could do a 6 month only renewal. Credit card information needs to be changed from Steve J to Eddie Yu.</p>	Lynette or Eddie to follow up with Cycle Club app soon.	
1	TOURING REPORT	<p style="text-align: center;">TOURING UPDATES</p> <p>There have not been any new leaders to come forward since our last meeting.</p> <p>Our first Beginners Ride clinic was held and hosted by Steve J. It went well and many of the new members found it useful and are eager to get out and ride. Thank you to all senior members that helped at this clinic to welcome our new members.</p>		

		<p>Bike the Creek is coming up on June 13th. There will be a ride posted for this on the Cycle Club app for those members that want to try it out. Please wear your BCC jerseys and give our club some positive exposure. Regular Saturday rides will still take place as well.</p> <p>Logistics Milton velodrome start rides have not yet been added to the app. Eddie will be working to get the remainder of the summer rides posted hopefully by the end of May.</p>	<p>Mats has posted the ride on CCA as of writing this</p> <p>Eddie will be working on posting the summer rides.</p>

5	WEBSITE AND COMMUNICATIONS UPDATE	<p style="text-align: center;">WEBSITE UPDATE</p> <p>Some very exciting news! Perci has been busy working on a new Web app for the club. He is still working on finalizing some of its parts. He shared a demonstration with the board, and it looks to be coming together nicely. Once it is ready to be tested, we will form a small team to try it out and work out any issues while continuing to use the Cycle Club App. This Web app will save the club money and put all our rides, routes and website together in one spot.</p>	Perci will continue to work on his Web app.
